

Liberate the Soul:

Using the Enneagram to Uncover Our Spiritual Nature

A Two-Day Overview of the Enneagram focusing on how it can reveal the Essence of our Soul

FACILITATED BY:

Doug Moore, Ph.D.
Psychologist & Life-Coach
Cleveland Center for Conscious Living

The Essence of our Soul can be experienced as:

- ❖ Deep Abiding Love for All
- ❖ Oneness with Life
- ❖ Effortlessness
- ❖ Expansiveness

We can have glimpses of these qualities and then return to our habitual everyday emotional and behavioral patterns. The Enneagram is an amazing map of these habitual patterns and how each personality style is actually a doorway into our underlying spiritual nature.

This Workshop will help you:

- ❖ Explore the pathway to your spiritual nature.
- ❖ Learn how to truly thrive rather than just getting by.
- ❖ Experience your Soul's Essence.
- ❖ Enhance the skills to live more fully your Soul's purpose.
